Technology that goes into REBEL Safety Footwear

REBEL Uppers

- High quality, premium grade upper materials include:
- Full grain leather (Barton Print / Nubuck / Waxy Leather)
 - Breathable suede & mesh upper
 - Easy cleaning micro-fibre
 - Water resistant leather

REBEL Inner Linings

Quality abrasion resistant, moisture wicking linings include:

- Coolmax® – breathable & abrasion resistant lining
- Taibrelle – moisture wicking lining moving sweat away from the foot
- Hydroseal – 100% waterproof lining, keeping the foot dry
- Hygienic – antibacterial properties

REBEL Air Comfort Zone (ACZ)

- Air-bubble for lightness & shock resistance. (Chelsea Stealth Boot Only)
- PU midsole – designed for added comfort & softness.

REBEL Footwear Fastening

- Lace-up
- Easy-Fit Velcro fastening
- Easy-Fit zip up
- Easy-Fit slide-on
- Rustproof, brass D-rings

REBEL Toe Cap

All Rebel Safety Toe Caps are tested to an impact resistance of 200 Joules. Rebel Safety toe cap options:

- Non-metallic, EN-Approved composite toe cap
- Wide profile, EN-Approved Carbon steel toe cap
- Soft Toe also available in certain styles

REBEL Foot Bed

- Hygienic removable & replaceable, cushioned innersole with anti-microbial / anti-static properties

REBEL Insole Stability Board

- Biagioli IBITECH 252 2mm in-sole board

REBEL Out-Sole

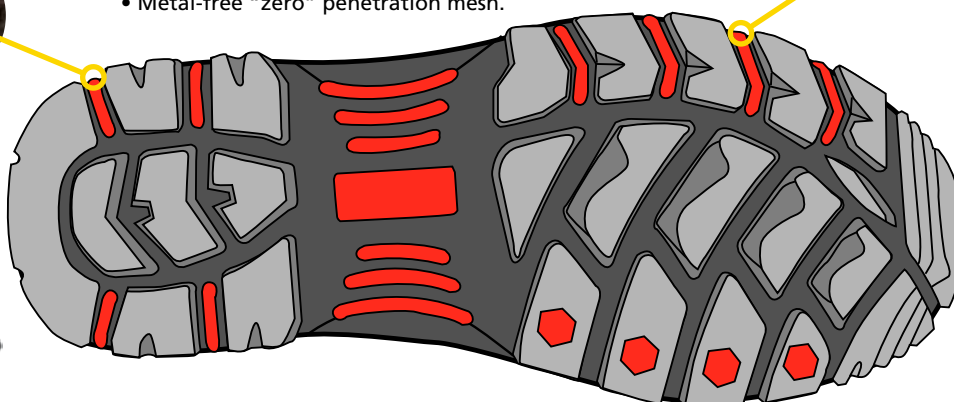

Various technologically advanced outsoles available:

- Dual-density, polyurethane – lightweight & durable
- EVA / Rubber – comfortable & highly durable
- Nitrile rubber – 300°C heat resistant guaranteed
- All Rebel soles are crack-resistant tested to 30 000 flexes
- Slip resistant
- Oil & acid resistant
- Cleats for climbing ladders

REBEL Anti Penetration Nail Guard Sole

Anti-penetration options available in certain styles:

- Steel midsole
- Metal-free “zero” penetration mesh.

PRODUCTION FACILITY

Today's workforce and environment demands far more from its protective footwear than ever before, insisting that it is comfortable and looks good, while keeping them safe at the same time.

At REBEL Safetygear we believe you should not compromise when it comes to demanding safe and comfortable footwear. All of REBEL's footwear is compliant with international safety regulations and we ensure that only the finest quality materials are used in the manufacturing process.

Our production facility is one of the largest and most qualified manufacturers specializing in safety footwear. The factory – which produces more than 8 million pairs annually - features world renowned DESMA shoemaking equipment and state of the art assembly lines from Germany and Italy.

The facility is also an active member of SATRA certification body and complies with the most stringent global standards. The result is that REBEL's vast safety footwear range boasts an industry-best return rate of only 0.02%, proving that REBEL Safetygear offers highly durable, premium quality products with a very attractive price-performance ratio.

At our state of the art research and design centre, we rigorously pursue an ongoing research and development programme, employing the most advanced and innovative technology. This ensures that only finest safety product reaches the market at an affordable price.
